

## VOLUNTEER POWER MOVES ASTD

The success of an individual member professional society depends on the leadership and participation of its members who volunteer to serve on committees and in other capacities. So it is with ASTD. In 1970, more than 300 persons are taking leadership roles, whether in one of the three special divisions or on one of 21 national committees. Division officers and members of national committees are listed below:

### DIVISIONS

#### Community Development Division Steering Committee

Robert L. Moore, Chairman, Camden County Council on Economic Opportunity, Camden, N.J.; Tilman C. Cothran, Atlanta University, Atlanta, Ga.; Robert L. Gell, Montgomery College, Rockville, Md.; Glenn M. Parker, New Jersey Community Action Training Institute, Trenton, N.J.; Earnest P. Preacely, Institute for Training and Program Development, Los Angeles, Calif.; Adrienne S. Wilson, Action for Boston Community Development, Boston, Mass.
