It Was Engaging

I just want to let you know how much I enjoyed Haidee Allerton's piece on full engagement ["Blood, Sweat, and Cheers" (August *T+D*)]. I don't think I've ever read an article related to training and development that opened with giving blood. It certainly caught my attention and held it throughout the piece.

Concept

Thanks for Simon Carr's words of wisdom in Concept [August]. I appreciated his article and am inspired to tackle some of those big, "scary" projects.
