**PROPOSAL** (You have 1 complete proposal, 0 incomplete proposals, and 0 withdrawn proposals)

OrgDev is a three-day learning experience held in Houston from October 20 to 22. During this time, 300+ individuals will come together to learn and network with their peers through educational sessions on topics such as culture, talent strategy and management, leadership and employee development, leveraging AI, building better strategic business partnerships, and more. OrgDev is designed for individuals charged with developing people, organizational culture, and talent management who are focused on learning how to humanize their OD programs and create a productive and engaged workforce.

### What we're looking for in OrgDev proposals

We're accepting proposals for sessions that strongly connect to one of the six key topics of the event:

- Culture and People
- Leadership and Employee Development
- Leveraging AI and Emerging Technologies
- OD Strategy
- Strategic Business Partner
- Talent Strategy and Management

This year, there are two session formats you can choose from:

- **Insights Session:** If you plan to examine a topic in-depth, propose your idea as an insights session. These more traditional 60-minute sessions share knowledge that can be applied immediately.
- **Interactive Session:** Are you planning a high-energy session where attendees will spend a significant portion of the time on discussions and activities? Propose it as an interactive session. These interactive 60-minute sessions allow attendees to explore, experiment with, and apply new skills in the session room.

This year's event will take place October 20-22, 2025, in Houston, Texas, and we'd love to have you participate.

Presenting at OrgDev is an opportunity to build your professional reputation and use your valuable insights to help others in the OD, TD, HR and L&D community.

To make it easier for you to be here, we offer one complimentary registration for the conference and up to two nights' stay at the conference hotel for up to two session speakers.

Ready to start your proposal? Select "Click here to begin a new proposal" button below. And if you have questions or want to discuss your session ideas, don't hesitate to contact [speakers@td.org](mailto:speakers@td.org).

**Deadline to submit is March 28, 2025.**
