ATD Rhode Island is hosting a pop up shop at Crossroads Rhode Island on **Thursday, January 23rd** from **1:00pm-4:00pm**. Pop up shops are a way to distribute donated products to Crossroads' clients through a marketplace-like environment, offering the opportunity to select the items they need, and leave the ones they don't, as they would in any store.

## SMS/TEXT ALERTS

---

ATD Rhode Island has introduced SMS reminders to help you stay updated on event start times and other occasional communications. We hate to see people miss events they've paid for, so these reminders are here to help you stay on track. Rest assured, we value your privacy and will only use this service sparingly —**no spam, we promise!**

**Starting March 1, you will be automatically opted into receiving SMS notifications.** If you prefer *not* to receive these updates, you can easily opt out at any time. To opt out before enrollment, simply add your name and email to the [following form](#).
