## A Love Thing

Loved Darin Hartley's Digital Beat article, "A Love-Hate Thing" [June]. I especially liked his comment on how there are "too many training metrics in organizations that are really only important to training organizations." Well stated.

Keep up the good work.

## Smartly Written

Just a quick little fan letter to let you know that I thought Haidee Allerton's June Working column, "Cease and Desist," was great.

My nickname here is "Word Girl." As a self-professed language and grammar geek, I love reading smartly written pieces on—well, language and grammar.

Thanks for the much-needed entertainment today.
