

The Sharing Our Success (SOS) program helps chapters improve through sharing and finding easy-to-use ideas, resources, and practices. What has your chapter done in the past year that deserves to be shared? What is your chapter doing in the very near future that you are excited about? Share your best practice with us, turn this card in at the chapter services table in the chapter leader lounge, and a member of the CRC will contact you after the conference to complete a SOS submission.

INTERNATIONAL
CONFERENCE
AND EXPOSITION

We want to provide a great value to our members so we started a new policy. We meet via webex with the speaker 1 week prior to our meeting. We discuss logistics, answer questions, + review the content + slides. this way we can redirect if necessary + ensure everyone has the right expectations.
