

sharing our success

The Sharing Our Success (SOS) program helps chapters improve through sharing and finding easy-to-use ideas, resources, and practices. What has your chapter done in the past year that deserves to be shared? What is your chapter doing in the very near future that you are excited about? Share your best practice with us, turn this card in at the chapter services table and a member of the CRC will contact you after the conference to complete a SOS submission.

Your Name:

Heidi Matthews, VP of Programs

Your Chapter:

Kansas City

Best Practice and Description:

Gamification of Fall Conference - Our theme was "Get a Clue? The questions were all about asking good questions in difficult situations."

Phone Number:

913 982 6176

E-mail Address:
