mimio Xi

On the Go Mimio

Record your notes on the road with Virtual Ink's mimio Xi. Onboard memory and optional battery power enable users to record up to 10 hours of whiteboard notes—without a PC. Simply attach mimio Xi to a whiteboard and start writing. When it's time to pack up, the unit fits neatly in a typical laptop bag.

iWantOne

Apple's new MP3 player may be a lightweight (only 6.5 ounces), but it includes some heavyweight features. A 10-gigabyte hard drive stores a 2000-song library, and a high-speed FireWire connection downloads an entire CD in 10 seconds.

The iPod also features a large LCD display and a rechargeable lithium polymer battery. Apple iPod, US\$499;
