

GET ACQUAINTED WITH VOLUNTEER BUCKS

The Volunteer Bucks program was developed to encourage participation in chapter events, especially participation in committees. You can earn Volunteer Bucks simply by participating in various CIASTD activities throughout the year. You can use your Volunteer Bucks to bid on silent auction items at monthly programs and other special events, such as December's Holiday Program. You can also use your Volunteer Bucks to pay for the monthly program. Volunteer Bucks never expire, so you can save them as long as you like!

Here is a breakdown of how you earn volunteer bucks, by activity:

| ACTIVITY | AMOUNT |
|---|---------------------------------------|
| Serve on Board of Directors | \$50 (one time per year) |
| Attend Board Meetings | \$5 per mtg |
| Serve as a Committee Chairperson | \$40 (one time per year) |
| Serve as a Committee Member | \$20 (one time per year) |
| Attend Committee Meeting | \$10 per mtg |
| Serve as a Monthly Program Greeter | \$10 per month |
| Submit an article for the Newsletter | \$10 per article |
| Select and Purchase monthly silent auction items | \$10 per month |
| Represent the Chapter at a board sanctioned event (i.e. college fair, conference, college/university guest speaker) | \$15 per event |
| Sponsor and/or oversee a Special Interest Group | \$40 (one time per year) |
| Complete tasks associated with setup/take down for special events (i.e. Fall Education Conference, Holiday Program) | \$10 per event |
| Participate in special projects | At the discretion of the board member |
| Recognized for individual contributions | At the discretion of the board member |

Silent auction items are offered at each monthly program and at the annual Holiday Program in December. Past auction items include business or industry related books, office/training supplies, desk accessories, entertainment packages such as restaurant gift certificates and movie tickets, and themed items related to holidays, seasons, or events.

So join a committee, submit an article for the Newsletter, and become an active participant in your chapter! The incentives are many and can be rewarded with valuable Volunteer Bucks, friendships, and newfound skills.
